The NEF Trust is a charitable educational trust duly registered under Indian Trusts Act, 1882 and also u/s 12A of I.T. Act, 1961. One of the main objectives of this Trust is to disseminate quality education and it has been working towards fulfilling it by establishing a few Schools and Colleges.

The Govt. of Assam in Education Department had granted necessary NOC vide No. AHE.780/2017/72 dated 25.01.2018 to open the College to introduce TDC & PG courses in Arts and Commerce streams. The College has been granted NOC by the Govt. of Assam and necessary permission and affiliation by Dibrugarh University to run professional courses viz. B.B.A., B.S.W., M.S.W. and M.B.A. etc. The College is approved by All India Council for Technical Education (AICTE), New Delhi.

NEF Law College, established in the year 2006 is one of the finest centers of Law Education of Eastern India. The College runs Five Year Integrated Courses in three streams i.e. B.A. LL.B. (Hons.), B.B.A. LL.B. (Hons.) and B.Com. LL.B. (Hons.) as well as Three Year LL.B. courses under Gauhati University. NEF Law College is promoted by National Education Foundation Trust.

The College is permanently affiliated to Gauhati University and approved by Bar Council of India (BCI), New Delhi. The College is recognised by University Grants Commission (UGC) u/s 2(f) of UGC Act, 1956 and Deptt. of Higher Education, Govt. of Assam. The College is a minority institution u/s 2(g) of NCMEI Act, 2004.

ABOUT THE SEMINAR

The goal of the program Viksit Bharat @2047 is to transform India into a developed nation by 2047. Effective transformation of the Education system is a primary goal of this project. The New Education Policy 2020 is considered as the first step to achieving India's educational development goals by 2047 in redesigning education system starting from the primary schooling to higher education institutions.

Keeping in view the goal of Viksit Bharat as well as the Sustainable Development Goals (SDGs), the NEP aims to meet the industrial demands and new technological advancements with Skill enhancement courses, vocational training, internship programmes and courses introduced to build up career aligned to the shifting market. Further, the NEP 2020 is set to profoundly reshape professional education, more particularly the legal education in India by prioritizing multi-disciplinary learning, skill development, and ethical considerations. This transformative approach aims to cultivate a new generation of legal professionals equipped for an inclusive, equitable and sustainable future.

NEP 2020 plays a fundamental role in India's journey toward becoming a "Viksit Bharat" by 2047, aligning closely with the SDGs 2030. Confirming to the United Nations Sustainable Development Goal 4, the policy lays down the ground for a more inclusive, equitable, and sustainable future by focusing on quality education, digital learning, gender equality, economic growth, and sustainability. In this seminar, an attempt is made to critically examine NEP 2020 by establishing an alignment with SDG 2030 and examining the execution plan of Viksit Bharat 2047. It is expected to provide a platform for stakeholders to discuss, analyze, and reflect on the policy's potential impact at all levels of education incorporating legal education with special significance.

PUBLICATION

- 1 Seminar Papers will be published in a Book form with ISBN after review.
- 2 Selected Papers will be considered for publication in a Peer Reviewed ISSN Journal.
